

How to overcome barriers and expand business?

Today, with globalization taking fast pace, every SME can grow exponentially by conquering international markets. Many companies across the world are considering UAE as their foremost country for business incorporation or continuation. There are so many reasons to choose UAE! Starting from less regulation, advantages of attractive tax regime, multiple business opportunities and favorable investment climate.

ARE YOU LOOKING TO MIGRATE TO UAE

The ability to migrate companies to UAE opens tax planning dimensions for investors and businessmen. Foreign companies can Redomicile and enjoy various benefits provided by the UAE corporate tax free regime and its wide network of double tax treaties.

The benefits:

- Maintain existing company's legal status
- Preserve operational and banking history
- Avoid liquidation expenses
- Access common law courts
- Exemptions and freedom to repatriate capital and profits

Asad Abbas and Co. (Chartered Accountants) and AAi is offering a proven and easy process for re-domiciliation*, that can be completed from 1 working week! To start things right, contact our team to support you throughout the process and make application as seamless as possible.

* Transfer of Domicile/Continuation is the process by which a company/enterprise moves its domicile from one jurisdiction to another by changing the country under whose laws it is registered or incorporated, while maintaining the same legal identity. Companies re-domicile or opt for Transfer of Domicile for a variety of reasons, the most important being able to take advantage of a tax neutral environment and/or the availability of a network of Double Taxation Agreements, to align their place of registration with their shareholder base, or to access specialist capital markets.
